TRAINER TERMS & CONDITIONS

---

1. The instructor must ensure that the student clears the balance amount as soon as the instructor arrives at the student's location on the first day of class. The student must then send the payment screenshot to the UpDrive company WhatsApp number (805 000 4161). The class should only begin after this is done.

2. The trainer must wear the company-issued ID card and overcoat while conducting all training sessions.

3. The trainer must carry a valid driving license at all times during training.

4. The trainer must report on time for assigned classes and inform the company in advance in case of unavoidable delays.

5. The trainer must confirm the class hours and payment details with the company while accepting a student assignment.

6. Professional behavior and respectful communication with learners are mandatory at all times.

7. Consumption of alcohol, tobacco, or any intoxicating substance before or during training sessions is strictly prohibited.

8. The trainer must cooperate with company reviews, feedback processes, and performance evaluations.

9. The trainer must verify the learner's Learning License / Driving License, insurance, and vehicle documents immediately after slot booking.

10. All company data, including client details, pricing, and internal information, must be kept strictly confidential.

11. The trainer must ensure learner safety at all times and avoid rash, aggressive, or unsafe driving practices. The trainer must always keep control of the handbrake and must not use or attend mobile phones while teaching. In case of emergency calls, the vehicle must be safely parked before attending the call.

12. In case of any accident during training, the trainer must manage the situation responsibly and immediately report the incident to the nearest police station and inform the company without delay. Company support will be provided if required.

13. The trainer must immediately inform the company of any learner complaints or unusual incidents.

14. The trainer shall not accept direct payments or orders from company clients, including referrals of family members or friends. Any violation will lead to immediate termination.

15. Repeated complaints, unsafe driving, misconduct, or policy violations may result in immediate termination.

16. After each training session, the company will collect feedback from the trainee. Based on this feedback and overall performance, the trainer's daily wages may be increased or decreased as per company policy.

17. This engagement is contractual and performance-based. Based on performance, the trainer may be considered for a permanent position in the future.

18. Upon termination or exit, the trainer must return all company-provided materials, documents, or assets.

19. The trainer will receive payment within 24 hours after completing all assigned sessions for a student. If the payment is not received within this time, the trainer can contact the company to have it processed immediately.
